Vetoing enclosed ordinance amending Chapter 6, of the 122#?6  
Code of Ordinances of the City of Somerville re-  
lative to the operation of the Fire Department,

30 June 1972

The Honorable, the Board of Aldermen  
City of Somerville  
Massachusetts

Re: Ordinance **#122848**  
(An Ordinance Amending Chapter 6 of the Code of  
Ordinances of the City of Somerville Relative to  
the Operation of the Fire Department)

Gentlemen:

I am hereby vetoing the above numbered ordinance passed  
by your Honorable Board on June 22, 1972 for the following  
reasons:

1. This is a matter which is being discussed in col-  
lective bargaining, and it is inappropriate for the leg-  
islative branch of government to become involved in a  
matter which Fire Departments themselves consider to be  
a collective bargaining item.

2\* There are relatively few cities which have this  
kind of practice, and wherever the practice has been  
instituted, it has added several hundred thousands of  
dollars to the budget annually. I have spoken with  
officials in some of these cities, and without exception  
they consider it one of the greater disasters with  
which they have ever become ensnared.

During this period of contract negotiations with the  
Fire Department, there has been a good deal of pro-  
poganda put forth by members of the Department in an  
attempt to arouse public opinion or to affect the city's  
attitude toward their demands. I feel that the pro-  
poganda which they are using is grossly misrepresenting  
the facts, and in my judgment the city has bargained in  
good faith with these men and will continue to do so  
until an amicable agreement can be reached.

Respectfully yours,  
S. Lester Ralph  
S. Lester Ralph  
Mayor
